RELVEO™

" Where effortless clarity
meets the soul of the music."

Marking a bold new chapter in turntable design, RELVEO blends the engineering DNA of our award - winning designs with the unmistakable aesthetic of the iconic Acutus. Featuring a heavier platter, optimised motor - to - mass ratio, and external DSP power supply, it delivers exceptional speed accuracy and musicality. Its conical suspension ensures superb isolation and simple setup.

Equipped with our acclaimed ALTUS tonearm, RELVEO unveils every musical nuance with crystal clarity and dynamic realism. The micron-tolerance bearings and a unique dual bias compensation system for focused imaging and long - term precision.

RELVEO distils over 30 YEARS of innovation into a single, refined masterpiece - engineered to inspire and built to perform.
